CLIMATEFIT

Funded by the European Union

Mobilising finance for climate resilience

CLIMATEFIT brings public authorities and financial actors together to turn adaptation priorities into investable projects.

32 Partners

20 Territories

7 Project Results

Map the landscape

Build skills

Plan & Finance

Mobilise investors

Organise locally

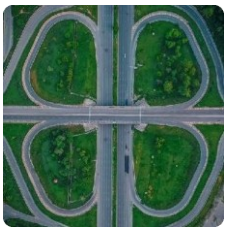

Shape policy

The challenge

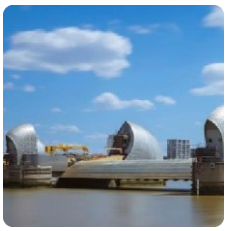

5%

of global climate finance went to adaptation in 2021–2022. – and public actors provided 98% of it.

Source: CLIMATEFIT D1.1, based on Climate Policy Initiative data

Where we work

Northwestern
Flanders (BE) · Upper-Rhine (FR)
Southern
Lombardy (IT) · Porto (PT)
Eastern
Bohemia (CZ) · Centru (RO) · Podravska (SI)

Resources ready for you

Tools, guidance and training from our seven Project Results, ready for public authorities, financial actors and policymakers to use today.

All resources online

PR 1 — UNDERSTAND
Financing Landscape

Maps the barriers, drivers and opportunities for adaptation finance across the CLIMATEFIT territories and 20 international best practices.

What you'll find Adaptation Investment Landscape · Country factsheets · Best practices poster

PR 2 — BUILD CAPACITIES
Capacity Building Programme

Develops the skills, knowledge and tools needed to turn adaptation priorities into finance-ready action.

What you'll find Capacity Building Package · E-learning platform

PR 3 — PLAN & FINANCE
Public Authorities' Manual for Leveraging Finance

Guides public authorities from adaptation priorities to investment-ready plans and bankable projects.

What you'll find Investment strategy and investment plan methods · Incentive Mechanisms guidance & database · Manual for leveraging finance

PR 4 — ACCELERATE FINANCE
Pathway for Financial & Investment Entities

Helps banks and investors factor climate resilience into their decisions and finance adaptation.

What you'll find Role of financial actors in closing the gap · Pricing resilience in credit risk · Tested investment concepts & financing solutions

PR 5 — ORGANISE LOCALLY
Local Resilience Taskforces

Builds local governance that brings public authorities, financial actors and stakeholders together to unlock finance.

What you'll find Guidelines to create and expand taskforces · European webinars · Formulation and scaling up of the taskforces

PR 6 — SHAPE POLICY
Policy Insights & Recommendations

Strengthens the alignment between adaptation needs and EU adaptation and sustainable finance policies.

What you'll find White Paper for policymakers and practitioners

PR 7 — ACCESS ALL RESOURCES
One-Stop Shop

A single entry point to all CLIMATEFIT tools, guidance and training, hosted on weADAPT.

What you'll find Adaptation Finance Platform
