

Concorso pubblico per esami per la copertura di n. 1 posto nel profilo professionale di Assistente Sociale
(Area dei Funzionari e dell'Elevata Qualificazione)

DOMANDE PROVA ORALE

1	Social workers should treat family members with a lot of respect and value what they know about the person you are there to talk about
2	One of the first things you should do as social worker meeting a family for the first time is to acknowledge that: "I'm here to learn what you know about your son or daughter, to learn from you". Those words make people feel important and valued
3	We keep seeing from serious case reviews that professionals do not talk to the children and sometimes do not even see them
4	How can we complete an assessment of a child if we do not talk to the child, observe the child and ask the child what they think?
5	If you read/write in a report "child seen", what does that actually mean? It is not enough to "see" a child. We need to communicate with that child
6	If I'd have told Social Services that Danny was missing, they'd have taken him away from me
7	As the senior welfare officer I have no choice but to recommend his case to social services and recommend that the child is taken into care
8	I went down to social services, but there wasn't a welfare officer available to take custody of her
9	Finally in my desperation I ended up downtown, at social services where I met with a part-time social worker
10	They were running a benefit scam, claiming on two Social Services visits happened at Kayla's flat
11	As social workers, we are at the forefront of advocating for social change and promoting the well-being of individuals, families, and communities
12	The work of the social worker encompasses a wide range of responsibilities, from providing direct services to engaging in policy development and community organizing
13	In the direct practice, social workers engage with users on a personal level. They assess their needs, develop treatment plans, and provide counseling and support
14	Social workers are passionate advocates for social justice. They address systemic issues such as poverty, discrimination, and inequality
15	Social workers often work with children in foster care or with seniors seeking assistance
16	The goal of social workers is to give vulnerable people the tools to overcome challenges and improve their lives
17	Social workers are community builders. We facilitate support groups, organize community events, and connect individuals to resources
18	Social workers play a vital role in providing support to individuals and families in distressed situations
