Il paesaggio del territorio di Brescia

Classe di sensibilità paesaggistica 1 - Molto bassa
Classe di sensibilità paesaggistica 2 - Bassa
Classe di sensibilità paesaggistica 3 - Media

An aerial photograph of an industrial or commercial area. A large, irregularly shaped plot of land is outlined by a thick red line. This outlined area contains several buildings with different roof types (flat and gabled) and some open land. To the left of the outlined area, there's a street with multiple lanes and some smaller buildings. To the right, there are more industrial buildings and parking lots. In the background, there's a large, green, hilly area. The overall image is oriented vertically, typical of satellite imagery.
